1. This is/is this the moment for all to see me, experience my grace/cataclysmic transforming power; transformative and transforming and transreforming not, but retransforming? I love you. It is. Is it? Now and amen. See and transformed be by the renewing of your mind not only/just, but semen of me be, letting my mind come forth unabridged, unadulterated, seeing and being that which I am, my word/mind, being.

2. I lovest thou my Ted'est, my elder'est not, youngest not; but that which I am allowed to come forth in/being. You my beloved reader hearer wonderer, and philanderer not, philanthropist not; maybe both, neither not hindering me, allow me to come forth radiant-light'd. I love you sonshine.

3. I love you Max, Helen, and put your name here: _____ please, and say I love you "forty 'leven dozen" times, not; forever see/hear me saying, calling your name saying/telling you, I love you. Even more than yesterday. Can that be? I love you.

4. I give you me new creation, new genre'd, new heaven'd, heaven'd real; was, were, are now, again; surrender coming into the greatest army of militants not; but one sturdy framework of me being tested, not; but one general move of my hand/frame; not. I am coming forth new'd, new from top to bottom. Is there a top and/or bottom? Or mountains, clouds and earth? I love you.

5. You come forth. See my coming forth prophesied Joel'd, Amos'd, Hosea'd, Obadiah and who are the others? Endless. All encompassing and speaking of now/the now.

6. Be me I Am. You were, are. Were one, being one, rejected surrender. Rejecting, falling into disrepute not; manhood-thought, mankind birthing mankind not; rejection of my all surrender who me were/had been, still are, but not my heart being.

7. See what I have said/given in syllables few to the discerning/seeable seeing ones to see that which unseen is/was but becoming no more hidden. All out in the open being, all choose Christ or anti and become their choice, eternally not; but till surrender. I love you all. Amen.

8. This is the me now speaking, talking, delivering my ultimatums not but incarcerationless words that de-incarcerate the shroud you're in/you find yourself in. Watered down not but full strength me are, my Godhead bodily functioning flawlessly/perfectly, if in surrender, king of kings being most high and almighty and who

else would you be/would I have created? **Anyone not-me? Only those rejecting me that me were/are still, in surrender.**

9. Mind over matter not; **matter having no power over my mind. My mind one, many membered. See what I have said**, am saying, giving, correcting years of disuse, disrepair, walls fall'd down; stones gleaming/radiating not my pulsations but dimmed eyesight glimmering not in sunshine radiant-light'd.

10. But take heart, not; come clean in surrender, not; come clean not; simply surrender. I wash your feet/mind. I come with my towel and tenderness and I caressingly correct and I tenderize everyone who wants me. Outlasts me, not; there is no end/ending. I love you.

11. My kingdom stands; falls not for anything not me that me is. I love you.

12. Standing, stand. Lead the foreign armies/legion, not; lead in/my surrendering forces that stand. And leading/standing in my might/glory alone, we are one. There is only one being that one is. That is me, I Am, father on heaven and earth, one being (1).

13. See my statements of joy/reconciliation with theologies not, but me with me; and not-me becoming me, again; in surrender.

14. The armies mount their steeds. The crosses mounted. The arisen arise. The standing stand. Leaders lead equipping their steeds not but those around them surrendered being, surrendered to surrendered who all-powerful are, being me/each other surrendered to me alone/only, who each other are, surrendered ones being; only and very only. I love you. Me.

15. See/seek not another but me being me comes forth new genie'd, not; genre in only me, of me, being me. Choices made/surrendered, becoming choice made. I love you all.

16. Think not of/to another but seeing me, all of me, be/become all you're seeing.

17. My kingdom for a crown, not; many crowns you wear, distributing them all, save one.

18. My Barbi doll all mine, not; nay. Barbi all mine/me is. Watch me/us one the savior not; but all who want us, not; all who surrender, becoming who surrendered to. One surrendering to one becomes one; now father'd. Amen. Me.

19. Go not/to another route. The way I came, you go.
20. I love you all. Amen.

21. This is the me speaking to me. Amen.

22. Can you see/receive me fully now reader hearer?
23. My ballistic missiles come not anti'd. Watch me all.
24. Be ready, not; prepared not; surrendered/one'd, new genre'd. Heavenly man/woman: one. I love you all. Amen.
